AI Interview Overview and Important Notes

Please note that some emails are only in Japanese

- In 3 and 5 , please use the Principal Investigator's own email address issued by the affiliated institution.
- The email address entered here should **match with the email address in the research proposal document. If they do not match, your application will not be accepted.**

Registration and Preparation

1 Configure settings so you can receive emails from the administrative office domain emails below:

- info@msg.qork.jp
- ai4sinfo2026@bcg.com

2 Click "AI Interview Registration Form" (Forms) on the e-Rad

3 Submit the "AI Interview Registration Form" (Forms)

4 Receive the email and click the link for AI interview registration

5 Register your email address and your name

6 Receive a copy of the link (saved link) by email. (The screen 5 transitions to 7)

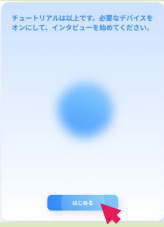
Interview Participation

7 Click "Start AI Interview"

- If access is concentrated, an error message will be displayed. Please wait a while and try again.

8 Check the interview environment and important notes

9 Click "Start" button



10 Set up the microphone and answer each question

11 Click "End the interview" button

- Be sure to press "End the interview."

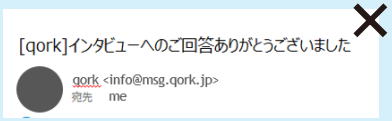
- Before submitting, please set up the following environment
  - A place with little noise
  - A stable network environment
  - Prepare a device with a microphone
- The required time for the interview is **10-20 minutes.**
- The interview can be conducted **only once**
- To prevent errors, please do not interrupt the interview. In the unlikely event you interrupt, be sure to **resume in 48 hours** from the copy of the link (saved link) delivered in 6 .
  - If you do not receive the copy, we recommend copying and saving the browser URL immediately after starting the interview.

After Completion

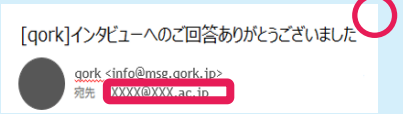
12 Receive the completion email

13 Take a screenshot of 12, in a format that displays your own email address. Attach it to the research proposal document and submit it to e-Rad

The recipient is "me" or your name ✕



Your own email address in the "To" field (recipient) ○



- **For Outlook users:** please check p.3 for how to make the address visible

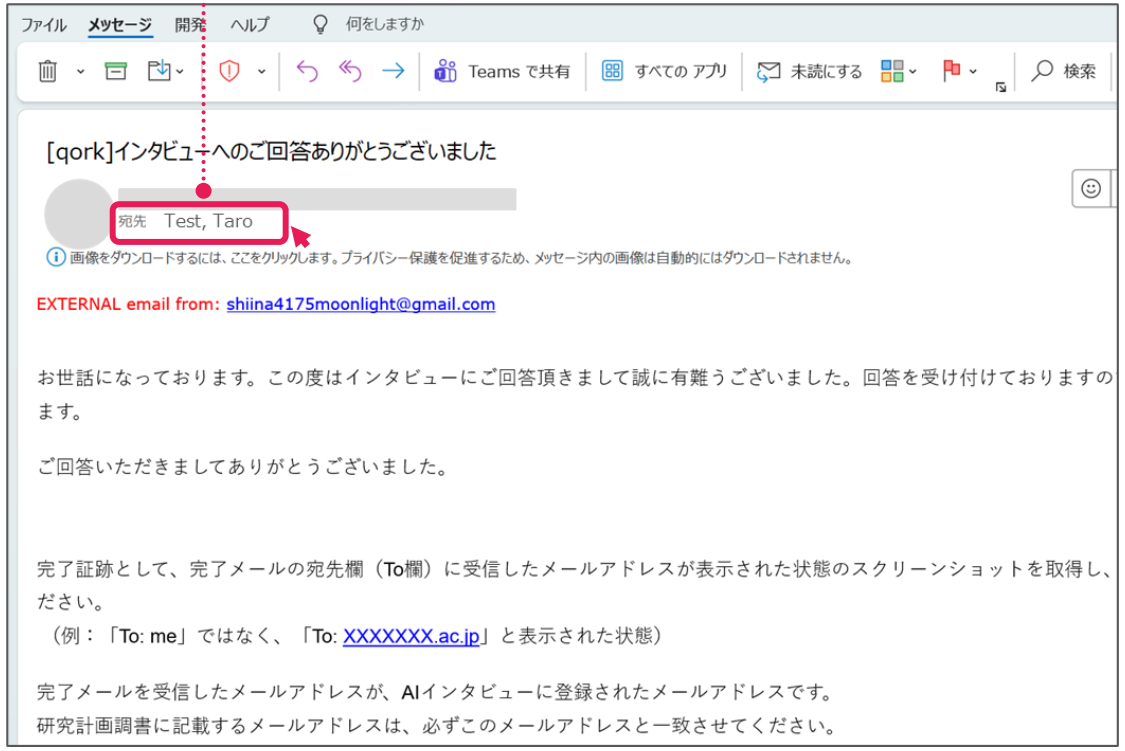
Troubleshooting

Trouble location	Trouble details	Solutions	If the solutions do not work, please fill out the Inquiry Form for AI Interview . In the “6. Inquiry Category,” please select the item below:
6	Even after waiting for an hour, the email with the copy of the link does not arrive	• Please check your spam/junk folder. • Even if the email does not arrive due to some circumstances, you can still complete it from the 7 “Start AI Interview” button. However, in that case, if you interrupt it, the link to resume will not be available. Therefore, before interrupting, be sure to copy/paste the URL at the top of the browser	-
7	The screen does not proceed due to an error	• If a large number of people connect at the same time, an error may occur. Please wait a while and try again.	Technical issues/connection problems
10	A server error occurs	• Please try the following - Disconnect VPN - Disconnect your affiliated institution’s Wifi and connect to your home Wifi - Turn off Wifi, and connect to a cellular network - Use a smartphone	Technical issues/connection problems
	Even though you are speaking, it is not transcribed, and the interview does not progress	• Please try the following - Check the microphone connection - Disconnect VPN - Disconnect your affiliated institution’s Wifi and connect to your home Wifi - Turn off Wifi, and connect to a cellular network - Use a smartphone	Technical issues/connection problems
	If 48 hours have passed after an interruption due to a system error and the link has expired	• Please fill out the Inquiry Form for AI Interview .	If 48 hours have passed after an interruption due to a system error and the link has expired
12	Even after waiting for an hour, the interview completion email does not arrive	• Please check your spam/junk folder. • If you enter the email address used for registration at the link below,(and if you have correctly completed the interview) we will send you an email certifying that you have completed the interview. Please take a screenshot of that as shown in 13 and submit it. - AI Interview Status Confirmation Form	-

For Outlook users: How to Display Your Email Address in 13

Please note that some emails are only in Japanese

- Place the cursor over where your name is displayed,and hold it there for about 3 seconds.



- Once your address is displayed, take a screenshot of the entire screen.
